DETAILED ACTION

Allowable Subject Matter

1. Claims 1-16 are allowed.
2. The following is an examiner's statement of reasons for allowance: The limitations found in claims 1-16 are neither disclosed nor taught by the prior art of record, alone or in combination. The prior art of record does not disclose the limitations of a body of material having a centrally located opening; a number of equally spaced legs projecting from the rear side of the relatively flat body, wherein the flat body is thinner than a length of each leg, the thickness of the relatively flat body being taken in the same direction as the legs project and a tip centrally disposed on a top of each leg wherein the tip has a smaller diameter than each leg wherein the length of each leg is desired to allow concrete to flow between the rear side of the relatively flat body and the second form wall in combination with the other limitations recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
